

WINTER SUMP PUMP DISCHARGE VARIANCE
SEASONAL WAIVER AGREEMENT 2010-2011

SEASONAL VARIANCE CONDITIONS:

1. The undersigned homeowner (occupant) agrees to utilize the sanitary sewer (for the property listed) for sump pump discharge water only during the period November, December, January, February and March.
2. The sump pump discharge will be diverted to the outside of the building during the remaining seven (7) months. Random, unannounced inspections will occur during these seven (7) months.
3. This variance is valid until March 31. Re-application is required yearly.
4. Detailed explanation from homeowner/occupant, regarding reason for request must be attached to this form.
5. City of West Fargo Ordinance 9-0328, will be enforced and the undersigned homeowner (occupant) agrees to all conditions as listed in City of West Fargo Ordinance 9-0328.
